Hanukkah Commences Sunday Evening, December 9th

Hanukkah commences on Sunday evening, December 9th, which is the 25th of Kislev. The traditional association of the lighting of the Hanukkah lights with the Hasmonean revolt against the Hellenic rule and desecration of the Second Temple is well known. It was on the 25th of Kislev that the victorious Hasmoneans entered the temple and found enough oil for the menorah that they lit to burn for one day. It burned for eight. Some say that the word "Hanukkah" is derived from the word "Hanu" meaning "they rested", and the letters "kaf-he", the numerical value of which is 25. (Rabbi Solomon Ganzfried, Code of Jewish Law.)

Hanukkah is a time for latkes, menorahs, jelly donuts and candles. As you light the candles each night, you add another candle to the menorah. Although hanukkiot come in a variety of shapes, technically all of the candles (other than the shamash) should be in a straight line and at the same height. The hanukkiah should be placed in a window or door so that it is visible from the outside. While three barachot are recited the first night, two barachot are said on the other nights.

Or Zarua Partners With Dorot In Pre-Rosh Hashanah Visit With East-Side Elderly

On Sunday, September 9th, Or Zarua members of all ages, from young children to senior citizens, brought their good cheer and holiday wishes to the Second Annual Rosh Hashanah Food Package Delivery to the East-Side Elderly. DOROT provided names and addresses to the group, and a half-hour orientation for new participants. Then the volunteers were on their way to visit their assigned individuals - along with shopping bags of scrumptious holiday food. Congregants met for about an hour with each person or couple they visited. It was hard to tell what the seniors appreciated more, the time devoted to meeting and talking with the OZ volunteers, or the anticipation of eating the "goodies" in the DOROT shopping bag. Looking in on homebound or alone elderly just prior to the High Holy Days was a wonderful act of hesed that was truly appreciated by all participants. Thanks to Aaron Shelden for organizing the event.

Reception for New Members to take place November 13

You'll want to mark Tuesday, November 13th on your calendar. That's the date for our New Members Reception, always a highlight on the Or Zarua social calendar. It's an opportunity to welcome our new members (defined as anyone who joined the congregation since November 9, 2000, the date of last year's reception!) and also a way to simply socialize with one another in a warm home setting.

Invitations will be sent to all members. Please RSVP when you receive the invitation so the appropriate arrangements can be made.

Youth Services

Two Or Zarua Youth (OZY) Services, one for children ages infant through 6 (children 3 years old and younger must be accompanied by an adult) and another one for children ages 7 through 13 (no parents) are held every Shabbat morning. The OZY service for children ages infant through 6 begins at 11AM and ends at noon. The Junior Congregation service for children ages 7 through 13 begins at 10:30 AM and ends at noon. At the conclusion of the OZY/Junior

Congregation services, the children are escorted from their classrooms to join our congregants in the concluding services and Kiddush.

On weeks when there is a Hebrew School Shabbat Class, children who wish to attend the 7-13 year old Junior Congregation are invited to join the Hebrew School Shabbat Class. Please see the calendar for dates when Hebrew School Shabbat Class meets.

Hebrew School News

By Tahl BenYehuda Saidel

The opening of the school year has been a very exciting time. Our school has grown this year, with many new students in the younger grades, and a full contingent in the older grades. Students have already begun their studies of Hebrew, of ancient and modern Jewish History, of Torah and of Jewish ethics.

Our students studied concepts of forgiveness for the holidays of Rosh Hashanah and Yom Kippur. Many students visited the synagogue's Sukkah during Sukkot, and had an opportunity to shake the Lulav and Etrog. They learned or reviewed the relevance of Simkhat Torah, the celebration of Torah when we complete D'varim, Deuteronomy, and begin again with B'reishit, Genesis.

September and October seemed to fly by in the wake of terror, so closely followed by our season of forgiveness and renewal. I hope that as November and December settle on us, as the season changes and the weather turns, that our lives will take on a more peaceful mode. Our

children will spend the next months immersed in their Hebrew learning, and they will be participating in various projects of G'milut Khasidim — acts of loving kindness — in our Jewish community and around the greater New York community. For example, the older students will have the opportunity to participate in Teensgiving, a program run by the 92nd Street Y, where they volunteer all over Manhattan for different projects.

I look forward to the opportunity to meet more OZ congregants and parents and to talk to you about our Hebrew School. Several parents have made some wonderful suggestions to me in the past weeks about ways to make our Hebrew School better. I appreciate these suggestions, and hope you keep sharing your ideas with me. It is my hope that in the coming year, our students strengthen their Jewish identity through knowledge of our beautiful language and our shared history.
